Directions from Arriving Flights

Follow these steps when you arrive at Miami Intl Arpt

Simply follow the purple MIA Mover signs to the third level of the Airport Terminal. Take the moving walkways to the MIA Mover's station to board and be transported to the Rental Car Center located on the fourth level.

Upon arrival to the facility, please proceed to the Alamo counter to obtain your rental agreement and vehicle keys.

Port Shuttle runs consistently; about a 15-20 min. wait.

Rental Policies

A valid driver's license from the customer's country of residence is required and must be presented at time of rental. The driver's license must be valid for the entire rental period. If the driver's license is in a language other than English, an International Driver's Permit is required along with the driver's license.

Exceptions:

- Japanese travelers may use the Japanese Driver's License Translation Service, which replaces the need for an International Driver's Permit.
- At California, Nevada and Phoenix-area airports and rental locations, renters with driver's licenses issued outside of the United States or its territories must produce a valid Passport. US Territories include American Samoa, Guam, the U.S. Virgin Islands, Puerto Rico, the Federated States of Micronesia, and the Midway Islands.

Alamo is committed to providing a range of mobility devices for our customers with disabilities. Hand controls, spinner knobs, and pedal extenders are available at no additional charge. At this time, we do not offer vehicles equipped with wheelchair lifts. In many metropolitan areas, you can find

specialty companies that provide vehicles with wheelchair lifts and other devices for both long- and short-term rentals...
